Code

Spring Security: #SS  
Spring Framework: #SF  
Spring Boot: #SB

ex: <https://github.com/spring-projects/spring-framework/pull/25062> -> #SF25062

Describes a solution that improves  
Performance in terms of memory.  
#SS8332, #SS9756

Performance: Memory Usage

Describes a solution that improves  
Concurrency in terms of thread  
safety.  
#SB16873, #SF25321

Concurrency: Thread Sync

Describes a solution that improves  
Concurrency in terms of the  
scheduling of tasks.  
#SF26442

Concurrency: Scheduling

Describes a problem in response  
time and the resolution related to  
it.  
#SB15770

Performance: Response Time

Describes a solution that improves  
Performance in terms of  
complexity.  
#SB14056, #SB16717, #SB20755,  
#SS3779, #SF25062, #SF2069

Performance: Complexity
